

A dole Almanacke
 or Kalender drawne for
this present yeere, 1600.

Which is leape yeere, and from the be-
 ginning of the worlde. 5562.

The first Kalender serving
 generally for all England, and
 the other necessarie for such
 as shal haue occasion of traf-
 fique beyond the Seas for their
 needefull busines.

Collected and gathered for the
 former use by Robert Watson pra-
 ctitioner of Physicke in the Towne of
 Brancetrey.

Quod gratis grâte.

Imprinted at London by R.
 chard Watkins and Iames
 Robertes.
